SENATOR THOMPSON WELCOMES FEDERAL HOME LOAN BANK OF DALLAS REPRESENTATIVES TO THE LOUISIANA STATE CAPITOL

HONORS GROUP ON THE 25TH ANNIVERSARY OF ITS AFFORDABLE HOUSING PROGRAM

Senator Francis Thompson and members of the Louisiana legislature recognized the 25th anniversary of Federal Home Loan Bank (FHLB) Dallas' Affordable Housing Program (AHP). Senate Concurrent Resolution 13 honored the program, which helps very low- to moderate-income individuals and families with their housing needs.

Since 1990, Louisiana has been awarded more than \$52 million in AHP competitive grants and \$3.8 million in AHP set-aside program grants for the construction or rehabilitation of more than 340 housing projects.

"I am pleased to be able to congratulate the Federal Home Loan Bank of Dallas on the 25th anniversary of their AHP program," Senator Thompson said. "Their contributions to the citizens of Louisiana are incalculable, and we welcome them as a continued housing partner."

Across its five-state District of Arkansas, Louisiana, Mississippi, New Mexico, and Texas, FHLB Dallas has awarded competitive AHP grants of more than \$286 million to assist more than 41,000 families since 1990. The grants have helped to finance the construction and rehabilitation of rental and owner-occupied housing. More than \$24 million has been awarded since 1990 in set-aside grants to help first-time homebuyers and special-needs homeowners across the District.
